

## **End of Year (EoY) Training for the 2012-2013 School Year**

### **2013 End of Year (EoY) Training Agenda**

#### **General Questions and Answers**

#### **Session 1 - Superintendent's Annual Attendance Report (SAAR)**

[Video \(31:53\)](#) | [PowerPoint Presentation](#) | [Questions and Answers](#)

Participants will review the submission process to assist with attendance data cleanup and verification prior to the June 30 data pull for the SAAR submission.

#### **Session 2 - Calendar Setup**

[Video \(16:16\)](#) | [PowerPoint Presentation](#) | [Questions and Answers](#)

Information in this session will help districts prepare to roll their calendars forward.

#### **Session 3 - Support Education Excellence in Kentucky (SEEK)**

[Video \(12:31\)](#) | [PowerPoint Presentation](#) | [Questions and Answers](#)

Participants will receive information to assist with data cleanup and verification for the June 30 data pull for the SEEK At Risk ADM report used in calculation of state funding for schools.

#### **Session 4 - Health**

[Video \(18:31\)](#) | [PowerPoint Presentation](#) | [Questions and Answers](#)

This session reviews health data that should be entered in preparation for the EOY Health Data reports. It will include data requirements, as well as assistance on how to clean and verify student health flag assignments on the Conditions tab for the June 1 data pull.

#### **Session 5 - Safe Schools**

[Video \(34:10\)](#) | [PowerPoint Presentation](#) | [Questions and Answers](#)

This session will outline the new requirements for 2012-13 Safe School Reporting, with details on the reporting timeline and an overview of the validation and extract results. A brief description of what is coming for alternative programs in 2013-14 will also be covered.

#### **Session 6 - School Report Card**

[Video \(16:47\)](#) | [PowerPoint Presentation](#) | [Questions and Answers](#)

Participants will gain information on data included in the 2012-13 School Report Card and best practices for verification and validation. The information is shared to prepare districts for the upcoming work and to set expectations for quality-control measures that can be implemented district wide.

#### **Session 7 - Teacher of Record**

[Video \(24:04\)](#) | [PowerPoint Presentation](#) | [Questions and Answers](#)

District administrators will gain knowledge and skills required to set up teachers in Campus and learn how this information affects CIITS, Student-Teacher links, and Local Educators Assignment Data (LEAD).

#### **Session 8 - Free/Reduced Application Management (FRAM)**

[Video \(12:37\)](#) | [PowerPoint Presentation](#) | [Questions and Answers](#)

Participants will learn the basics of setup and troubleshooting of their Food Service POS and IC for the data synchronization of meal status.
